With reference to your D.O.letter cited above I write to report as follows:-

The Survey Numbers proposed to be included in the schedule were actually included in the Surveyed & Demarcated Block but not mentioned in the schedule at the time of submitting the origginal draft section 4 notification which is an omission. Now after fidld verification by the Forest Settlement Officer,South Kanara,Mangalore it was brought to my notice that these Sy.Nos. were also included in the Block but omitted in the S.Nos. mentioned in the original section 4 notification published earlier.

In order to avoid legal complications at the later stage, these left survey numbers(in-advertantly) to be published in the Gazette in the form of addendum.
